Rev. 2/26/15

MADE IN THE USA

HUSTLER STICK – 77175

The Keysco Hustler Stick has a heavy-duty 6' 1/4" chain with a wide flat hook for pulling. The Keysco Hustler Stick features a heavy-duty 1-1/4" diameter tube with 2 hook-up points for versatility.

Key	Part No.	Description	Qty.
1	77097	Chain assembly	1
2	77351 77379	Rubber foot (square) OR Rubber foot (round) – older models	1
3	10293	Quick link	1
4	10548	J-hook	1
5	10390	Tube assembly w/o grip and rubber foot	1
6	10391	Grip	1

Place rubber foot against solid leverage point. Attach wide flat hook only to damaged area. Attach chain link to hook on tube assembly using shortest length of chain possible. Apply even pressure. Do not jerk or hammer on tube. J-hook is not designed for pulling. The purpose of the J-hook is to hold the remaining un-used portion of chain or slack, out of the work area during use.

WARNING

Always use eye protection when using this tool.
Do not use any parts on other pulling equipment.
